Discontinuation of 3M™ Backplane Connectors, HM, HSHM and UHM Series

To Our Valued Distribution Partners:

Owing to regulations in China, 3M is having to cease making and marketing 2mm hard metric **3M™ Backplane Connectors, HM, HSHM and UHM Series in TG30, TG30L and TG50** options. This includes both headers and receptacles.

To comply with local environmental laws for processing materials, our factory in China will cease manufacturing the tin-lead (SnPb) plated contacts used in our **3M™ Backplane Connectors, HM, HSHM and UHM Series**. Parts affected are:

SKU	Part Number and Description

We recognize this may cause some customers hardship. To alleviate this, 3M is offering a last time buy (LTB). We urge you to consider your total requirement and place all LTB orders with 3M or your authorized 3M distributor by 31 January 2018. We regret that after 30 April 2018 all production will cease.

Yours faithfully,

Lindsay Powell
Marketing Manager
3M Interconnect Solutions
