**End of Life Notification for Adam Tech**

**End of life affective date: 04/25/19**

Dear Valued Customer,

Adam Tech strives to make all efforts to maintain the life of products we sell well beyond the cycle of time our customers need to purchase them. However, in some cases due to factors beyond our control or market conditions, End of Life decisions are unavoidable.

When these EOL decisions occur, we understand the seriousness of the effects that can impact our customers and we take every measure necessary to give as much advance notice as possible.

This letter serves as formal notification of our decision to End of Life the part numbers listed in the following appendix. Should you have any questions or need assistance in choosing a replacement part please do not hesitate to contact us immediately.

Thank you.

Sincerely,

Scott Sokoli

Engineering Manager
