

PRODUCT CHANGE / END OF LIFE NOTICE

May 8, 2020

Dear Valued Customer,

The Alpha Wire portfolio requires regular review to ensure our products continue to offer the most updated features and benefits, in addition to the highest quality.

Effective immediately, a portion of our Alpha Connect Series has entered End-of-Life (EoL). As part of our regular product life cycle management activities, a lack of demand was identified which resulted in a product that was no longer cost effective to manufacture. The items will only be available until our current stock is sold, at which point they will no longer be available. A detailed list of all the affected parts can be found at the end of this letter.

If you have any questions or require assistance regarding these products, please contact your Alpha Wire sales representative or channel partner.

Sincerely,

Omar Qayyum
Associate Product Manager
