

Product Number Change Notification

Rev 1.0

Date: September 9, 2022

Dear Valued Customer:

This letter provides product number change notice of American Bright's addressable RGB+IC series. After a thorough review of our products offering, we determined to rename this product in order to avoid the confusion of our product portfolio.

We sincerely appreciate your business, and we ask for your understanding on any inconvenience caused by the part number change.

Old P/N	New P/N
