KYOCERA Crystal Device Corporation Oscillator Division

Approved	Checked	Charged		
M.Matsumoto	N.Nakano	H. Ishikawa		

Items	Discontinuance notice for SAW Oscillator					
Classifications	Design, Material, Production process, Place of manufacture, Distribution channel, Others (Production discontinuation)					
Description	 We have decided to discontinue the production of all SAW oscillator due to following reasons. We would like to ask your usual understanding on this decision taking into consideration the situation. Kyocera series name to be discontinued : All of SAW Oscillator KC7050S series KC7050T series KC7050T series KS7050L series KS7050L series KS5032L series Last day of receiving PO : 30-Apr2017 Last day of production : 30-Jun2017 					
Reasons	Demand of SAW product continues to decrease substantially and the cost to maintain older production facilities, combined with the difficulties of producing above items.
