September 2021

Dear Customer,

As Carlo Gavazzi develops and introduces new products to best serve our customers, we continually review the product lifecycle of the existing portfolio. With the recent addition of several photoelectric families, Carlo Gavazzi is announcing the phase out and discontinuation of the fiber optic portfolio (reference list below).

Please note the following dates:

- September 2021 – phase out notification of fiber optic portfolio
- November 2021 – fiber optic portfolio list price increase
- June 2022 – fiber optic portfolio last order date

Our intent is to continue offering the fiber optic portfolio through June 2022. Carlo Gavazzi is eager to assist you during this transition. While we regret any inconvenience this announcement may have caused, we are looking forward to continuing to support your sensing needs. Please contact us if you have any additional questions.

Sincerely,

Jill Oertel
