Re: (Final) Notice of Product Discontinuation

Cosel has already announced the following models are going to be obsolete, but this is a final notice. Please let you know again, and place a last order before this product discontinuation if you need.

 Last Date of Order Processing Orders will be accepted through September 29, 2017.

2.Discontinued Models

Table 2.1 shows the models to be discontinued. The obsolete models include the parts with options and modification. Recommended replacement models are shown below.

Table 2.1 Discontinued series and Recommended Replacement Models

Series	Discontinued Models	Recommended Replacement Models
	RMB15A	Two units of PBA(or PLA)
RMB series	RMB30A	Two units of PBA(or PLA)
	RMB50A	Two units of PBA(or PLA)
	RMC15A	LDC15F
RMC series	RMC30A	LDC30F
	RMC50A	LDC60F

For more details, please refer to the other sheets "Recommended Models for Replacements".

Table 2.2 shows optional parts of discontinued models.

Table 2.2 Optional Parts to be Discontinued

Harness	H-OU-15, H-OU-16
Attachment	FD-A, FD-B

3. Reason for Discontinuation

Yasuda

The demand for RMB and RMC series has dropped and many components mounted in these products are no longer in production, which makes it difficult for Cosel to keep producing them.

Should you have any questions or concerns, please contact our local sales representatives.

Best Regards,

Isao Yasuda Director Sales Dept. Cosel Co., Ltd.
