Description of the Change

Cree is making a change to use a new carrier tape for the LED series listed in Table 1. The carrier tape dimensions have not changed. The current and new carrier tape appearance differences are shown below:

Current carrier tape appearance:

Top	Bottom

New carrier tape appearance:

Top	Bottom

Reason for the Change

Cree has qualified a second source for this carrier tape.

Change Impact on Form, Fit, Function, or Reliability

This has no impact on the form, fit, function, or reliability of the series LEDs listed above. Customers may begin receiving the affected product with the change 90 days after the PCN Issue Date. Customers may receive both new and previous carrier tapes in the same shipment until Cree's inventory of LEDs on the previous carrier tape is depleted. No customer action is required. This product change affects neither the order codes nor the bin codes.
