

Product Change Notice		Date November 17, 2020
Product	Change to Digi Connect Sensor+ 201117-01	

Audience	All Digi partners and customers
Product Notice	<p>Digi is discontinuing sale of Digi Connect Sensor+ in the European Union (EU) due to changes in regulations. Digi Connect Sensor+ will no longer carry a CE Mark and cannot be imported into the EU effective December 20th, 2020.</p> <p>On this date EN 60950 and EN 60065 standards will be formally withdrawn in the EU and products covered by the scope of EN 62368, such as Digi Connect Sensor+, will need to comply with the requirements of the new standard.</p> <ul style="list-style-type: none"> • Digi has made every effort to bring its product portfolio up to IEC 62368 standards and is investigating a redesign of Digi Connect Sensor+ to meet those requirements • The change only affects sales of Digi Connect Sensor+ products in the EU at this time; <ul style="list-style-type: none"> ○ In North America there will be a grace period as UL proceeds with a soft transition for existing products certified to legacy standards ○ In the EU, the transition will be more abrupt as legacy standards are withdrawn <p>Please work with your sales representative if you have any questions regarding this product change.</p>
