Product/Process Change Notifications

PCN - 18 107

Amphenol Information Communication and Commercial Products Group

Product Name:	Metral			
	4 Row Metral Vertical Headers			
Product Manager:	VARGHESE MATHEW			
Subject:	Notification of Planned Change			
Distribution:	Global			
Type of Change:	Packaging Change			
Change Description:	The primary packing tube of 4 row Metral Header Connectors as per the attached list of part numbers will be changed to a new design. The tube shown on the left is the present and on the right is the proposed tube. There will be no change in the MOQ or PACK Quantity of the connectors			
Reason for Change:	The present tube may cause the connectors getting stuck inside the tube hindering the easy removal process of connector. New design ensure easy removal of connectors from tube and shipments in new tube will start as soon as the stock of the present tube gets depleted
