LANTRONIX

Date: February 18, 2021   PCN: 703

PRODUCT DISCONTINUATION NOTICE

Dear Valued Lantronix Customer,

The purpose of this communication is to inform you that Lantronix is announcing the end-of-sale and end-of-life for the xPico Modbus, xPico 110 Modbus and sample quantity sizes for the xPico device family.

Please refer to Table 1 below for the various end-of-life milestones, definitions and dates for the affected product(s). For customers with paid support contracts, support will be available under the terms and conditions of the customer's service contract.

Table 1: End-of-Life Milestones and Dates

Milestone	Definition	Date
End-of-Life Announcement Date	The date the document that announces the end-of-sale and end-of-life of a product is distributed to everyone.	February 18, 2021
End-of-Sale Date	The last date to order the product through Lantronix and its partners (availability subject to stock). The product is no longer available for sale after this date, unless inventory becomes available to sell.	June 30, 2021
Last Ship Date: Hardware	The last possible ship date that can be requested of Lantronix. Actual ship date is dependent on lead time.	December 28, 2021
Last Date of Warranty Support	The last date to receive applicable service and technical support for the product as entitled by warranty terms and conditions (https://www.lantronix.com/legal/warranty-policy/). After this date, all support services for the product are unavailable, and the product becomes obsolete.	December 28, 2026
End of Software Maintenance Release Date	The last date that Lantronix may release any final software maintenance releases or bug fixes. After this date, Lantronix will no longer develop, repair, maintain or test the product software.	December 28, 2021

Orders are non-cancelable, non-returnable (except warranty returns during the period of active Warranty Support set forth in Table 1). Any line item on an Order within one-hundred eighty (180) days of scheduled ship date is non-reschedulable, and in no event will rescheduling be accepted beyond the Last Ship Date: Hardware set forth in Table 1.

Q. Are there any alternatives to these xPico Modbus devices?
A. There is no direct replacement for the Modbus variants of product. The best alternative family is the xPico 200 device family.

Q. Are there any alternative devices to the sample/10-pack quantity devices?
A. Customers can order the equivalent bulk quantity xPico (XPC100100B-01) or xPico 110 (XPC100200B-01). All xPico family accessories remain available for order.

If you have any questions, please contact your sales representative or Lantronix Technical Support at (800) 422-7044 or (949) 453-7198.

Please refer to the Table 2, below for the product part numbers affected by this announcement.
