TRACKING #	PCN-000017	TYPE OF CHANGE	Major	DATE OF PCN	2/3/2021
DESCRIPTION OF CHANGE	<ul style="list-style-type: none"> - Transfer of Manufacturing site for certain Luminus LEDs - Addition of second source for key LED components 				
DETAILS OF CHANGE					
Dear Customer:					
You are receiving this notification because an upcoming 5M change for LEDs you have purchased in the past 24 months.					
<ul style="list-style-type: none"> - The affected products as listed in this letter are packaged by a long-term Contract Manufacturing (CM) partner of Luminus and will be transferred from their Taiwan plant to their facility in the Philippines. The plant in the Philippines has been producing similar LED series for Luminus for over 10 years with an excellent track record and offers larger production capacity. - Luminus is introducing second source vendor for the high current connector use in the affected LEDs. 					
REASON FOR CHANGE					
<ul style="list-style-type: none"> - Manufacturing plant transfer to the Philippines is motivated by production rationalization and access to higher capacity. The plant in Taiwan will remain qualified for producing Luminus LEDs and is part of Luminus business contingency plan. - Second source connector supplier has been qualified as part of Luminus efforts to implement dual sourcing for critical components (business contingency planning).
