Product Discontinuation Notification (PDN) No: 156871**Subject: Obsolescence of Select Custom Programmed Timing Devices****Description:**

Formal Microsemi notification of the discontinuance of a set of timing products which were programmed by a third-party programming vendor.

Reason for Discontinuance:

The decision to discontinue these products was driven by the termination of the relationship with a third-party programming vendor, and by the fact that there is no customer demand or forecast volume.

Customer Impact:

These products are being removed from Microsemi's product offering and will no longer be available for order.

There have been no shipments for the past two years, so no end of life period or future last-time-buy or last-time-ship dates will be in effect. Please remove these part numbers and associated documentation from your systems.

Replacement Parts:

Please contact your local Microsemi Sales Office or the company web site to develop a replacement for any of these devices.

There have been no shipments for the past two years, so no end of life period will be in effect. These devices are being discontinued immediately.

Last Order Date: December 15, 2016

Immediate; no EOL period.

Last Shipment Date: December 15, 2016

Immediate; no EOL period.
