

## **Global Change Notification (GCN)**

| Product Family   | Edgeline, Coplanar  | 10719207         |  |
|--|---|------------------|--|
|  |   | GCN Number       |  |
| Series   | Multiple  | October 14, 2015 |  |
|  |   | Date Issued      |  |
| Reason For Change  | Product Component Change  |                  |  |
| Change Description   | This letter is to inform you that we are reducing the chamfer size at the bottom of the housing card-slot for Edgeline and Coplanar. This change will affect series 75594, 76421, 76691, 76693, 76861, 170545, 170672, 170673, 171852, 170082, and 170305. This is to eliminate the risk of possible board to connector interference when PCB and connector are at their worst case condition. Current production parts can be consumed as is, since the housings have been at nominal and thus there is no risk of interference. |                  |  |
|  |   |                  |  |
| Part Numbers Affected  | Please refer to CustomerPartList.csv attached to e-mail message.  |                  |  |
| Reason For Short Notice Exception                                      |   |                  |  |
| Assessment Of Change<br>(How Product Will Be Qualified & Validated)    | Improvement is being made to fit. Product has been fully tested and qualified.  |                  |  |
| Internal Molex Qualification Date (Planned Date Information Available) | August 15, 2015   |                  |  |
| Sample Availability Date<br>(Changed Part)                             | September 10, 2015  |                  |  |
| Date of Implementation   | April 15, 2016  |                  |  |
| Method of Identifying Change   | Date Code   |                  |  |
| Recommended Replacement Parts  | N/A   |                  |  |
| Last Time Buy Date for Obsolete Parts                                  |   |                  |  |
| Last Time Ship Date for Obsolete Parts                                 |   |                  |  |
