

Global Change Notification (GCN)

Milligrid	10740358
	GCN Number
79109/79107	January 09, 2016
	Date Issued
Tooling / Equipment Transfer	
This letter is to inform you that Molex Singapore will be producing the Milligrid connectors, 79107 and 79109 series at both Molex Singapore and Molex Singapore approved sub-con in Malaysia. Currently both location are capable to produce this connector and is producing selected circuit size on each location. This change is to better facilitate capacity planning in the future where any 1 location is able to produce any circuit size. There are no changes in the final product and specification on the connector produced at both manufacturing location. Connectors produced at both location will be subject to the same quality acceptance criteria. The manufacturing location can be identified by the country of origin indicated on the carton label.	
Please refer to CustomerPartList.csv attached to e-r	mail message.
