

Product Change Notification (PCN)

PCN Number	505884	Date Issued	July 31, 2018
Reason for Change	Capacity change or tool replacement		
Change Type Description	This letter is to inform you that another set of tooling is being added to meet the current and future demands of this product. There will be no changes in the fit, form or function from the additional tooling when compared to the current tooling.		
Assessment of Change	Passed FAI		
Internal Molex Qualification Date	July 27, 2018		
Sample Availability Date (Changed Part)	July 27, 2018		
Planned Implementation Date	February 11, 2019		
Method of Identifying Change	No special marking on the product or packaging		

Before Change

- Replacement mould for 24B LC hoods with Top Entry.
PCN#505884 – Planned Implementation date: February 11, 2019

Size 24B «102x27» ⇒ A = 120.5 + B = 43.5 + C = 68 + F = 174 + L = 54

After Change

Overview

- This document is to inform you about the coming replacement of the mould for 24B LC Hoods, Top Entry.
- The pictures on the left represent the involved products.
- This is part of our consolidated process of maintaining the operations. The conditions and the duration of the mould are constantly monitored.
- The new mould will create less waste than the current one which will get close to the end of the shelf life.
- The change will have no impact on form and function.
- See attached impacted parts list (HDC metal hoods)
- Qualification Reports and samples will be available upon request after the date shown above.
