

Product Change Notification (PCN)

PCN Number	506244	Date Issued	October 10, 2018
Reason for Change	Capacity change or tool replacement		
Change Type Description	This letter is to inform you that another set of tooling is being added to meet the current and future demands of this product. There will be no changes in the fit, form or function from the additional tooling when compared to the current tooling.		
Assessment of Change	Passed FAI		
Internal Molex Qualification Date	October 10, 2018		
Sample Availability Date (Changed Part)	October 10, 2018		
Planned Implementation Date	May 02, 2019		
Method of Identifying Change	Product made after planned implementation date can contain the change		

Before Change

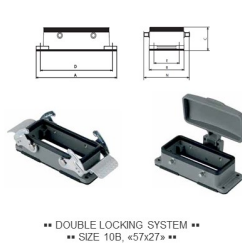

- Replacement molds for 6B&10B Bulkhead Mount. Housings
PCN#506244 – Planned Implementation date: May 2nd, 2019

After Change

Overview

- We hereby inform you about the coming replacement of the molds for 6B & 10B Bulkhead Mounting housings.
- The pictures on the left represents all the involved products.
- This is part of our consolidated process of maintaining the operations. The conditions and the duration of the moulds are constantly monitored.
- The new mould will create less waste than the current one which will get close to the end of the shelflife.
- The change will have no impact on form and function of the products.
- See attached impacted parts list (HDC metal hoods)
- Qualification Reports and samples will be available upon request after the date shown above.

Product Change Notification (PCN)
