Overview

- Current molding tool is too old and end of life. It has been broken and can't produce any qualified products. In order to fulfill customer order, Molex has to invest a new tool immediately.

- This new tool will be built in another Molex molding vendor.
- Meanwhile, Molex optimizes the product design.

- **Product Impact**
 - "no impact to fit, function".
 - "Form change", please refer to first slide.

- **Part Number Impact**
 - see attached impacted parts list

- **Planned Implementation date.**
 - After complete the new tool qualification, Molex will approve to produce product on the new from 15th June 2022.
