

PRODUCT DISCONTINUANCE NOTICE

October 1, 2016

Dear Customer,

Murata Power Solutions hereby gives official notification that the following product(s) you may have purchased from us are becoming discontinued with immediate effect.

Via this notice we are offering our existing customers for these products the opportunity for a last time buy (LTB) and we will accept orders until March 31, 2017. Please note that this LTB may be subject to a minimum order quantity. Multiple releases will be accepted with a constraint that no releases may be scheduled past a ship date of September 30, 2017. Once placed, LTB orders cannot be canceled, rescheduled, or returned for any reason other than product quality. Quality issues need to be identified and communicated within 30 days of shipment.

To assist you with choosing an alternate part number we have listed recommended alternative part numbers below.

Should you have any questions or concerns please [click here](#) to contact your local Representative, Distributor, or Regional Sales Manager.

For technical questions or design-related issues, please contact our Applications Engineer for your area.
