End of Life Notice: TVX series

To All customers:

We would like to take this opportunity to extend our appreciation for the business relationship

between our companies and your continuous support of Nichicon.

We are notifying you the Nichicon TVX series of axial leaded aluminum electrolytic capacitors

has reached its End of Life and its production will be discontinued. The last time to buy date is

October 31, 2019. No orders will be accepted after October 31, 2019. Last shipments will be

on March 31, 2020.

There is no axial lead recommended replacement series. The closest alternative series is the

TEL. (847) 843-7500

email: sales@nichicon-us.com

UVR series which is radial leaded.

Please contact us if you have any questions regarding this notice.

Sincerely,

Mark Gebbia,

Sales Application Engineering Manager – Americas
