Business Unit	Product Line Code	Type of Change	Action	Date of Issue
PCC - PCB Connectors	AAB	Product Discontinuation	Notify Distributors and Field	10/11/2018

Phoenix Contact's factory has announced the following product(s) is going to be discontinued. Existing specifications will be met or exceeded. Technical support of the discontinued product will continue, as required. Please review and acknowledge this document and take the appropriate action with respect to your existing inventory and ordering replacement parts.

Description for Product Discontinuation

It is always our goal to offer you state-of-the-art and up-to-date products for your application. For this reason, it may be necessary from time to time for economical or technical reasons to remove one or the other components from our product range.

We will be discontinuing the RW series of connectors.

While no drop-in replacement article exists, our local sales person is available to assist you in identifying a suitable replacement. Orders for the RW series will be accepted until March 29, 2019, and our last planned ship date is September 30, 2019.

We appreciate your understanding.
