Product Migration Notification Date: Jan. 25th, 2020

Dear Sunon Customer,

As a valued Sunon customer, you have our commitment to provide you with the highest quality customer service, product support and technologically advanced products. We pride ourselves in being a leading fan manufacturer, a goal that could not be achieved without customers like you.

Sunon is pleased to announce 000U series will be migrating to 1000U series. 000U products are no longer recommended for new designs; all new designs should start with 1000U series. 1000U series generally have lower power consumption, lower dB(A). The 000U items will be available for a last time buy date by the below schedule as well as last ship day.

As a valued Sunon partner, please cooperate with us to ensure a smooth transitional process. During this process, Sunon will do everything within our capability to make the migration as painless as possible. Not only will we be carrying additional inventory for the Top SKU consumed during 2020, we will also like a collection of your input to determine if extended part numbers are necessary prior to the year end. Please contact your designated Sunon representative or regional sales manager for further details on how to migrate current project or extend existing part number shelf life. We are very grateful for all your cooperation and appreciate your understanding as Sunon advances towards the global technical ideology.

000U Series	Last time to order (YYYYMMDD)	Last Day to Ship (YYYYMMDD)	Last Day of Warranty (YYYYMMDD)	Recommended Alternative models

For customers wishing to continue using Sunon 000U series listed above, please contact the Customer Services department at 1-714-255-0208 or contact your local Sunon regional representative for further information.

Sunon wants to continue its relationship with you. We remain committed to providing our customers with the highest quality products and service. We regret any inconvenience that this may cause, however we believe you will find our new product offerings very attractive.

Acceptance of last time buy orders is subject to product's bill of materials (BOM) availability and at the discretion of Sunon. Every effort will be made to fulfill these orders. Purchase orders for these products will be considered non-cancelable, non-returnable (NCNR). If you have any questions concerning this Product Migration notice, please contact Sunon Customer Service at 1-714-255-0208 or info@sunon.com
