

Product Change Notification

TE Connectivity

Product Change Notification: P-17-014258

PCN Date: 30-MAR-17

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:
Adhesive tape used on MTA100 connector color change

Description of Changes
Because of the white adhesive tape stop producing by supplier, they change change to yellow white color. The adhesive tape used on MTA100 connectors will change from white to yellow white.(please refer to the attached file)
Other attachments:
[adhesive tape change](#)

Reason for Changes:
Product improvement.Dear customer, As the result of the adhesive tape supplier stop providing the white adhesive tape, they recommend us to use their yellow white adhesive tape, the performance is no changed. The adhesive tape change is executed by following a strict procedure, which guarantees no negative influence on quality, ability to supply and form-fit-function of the concerned products. The new adhesive tape is under a certified quality management system according the standard industry requirements. An internal release based on our specifications will be executed before any parts will be delivered, which guarantees the performance.
