

Product Change Notification

TE Connectivity

Product Change Notification: P-21-021344

PCN Date: 24-AUG-21

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

TPA, LED, ASSY, 12V and 24V, DT06-2S, 2POS, REC HSG ASSY, SEALED

Description of Changes

The Industrial and Commercial Transportation business unit of TE Connectivity in China is adding new capacity tooling for the part number(s) listed below for localization for Worldwide customers. These PNs are TE proprietary designs, therefore considered catalog/general market product. PPAP and/or sample requests must be submitted within 14 days of PCN submission via ict-ppap-request@te.com or ePPAP system. Submission will not occur without request. If PPAP requested, disposition response is required within 14 days of submit date or it will be considered approved. Product drawing(s) are affected to document the new localization tooling.

Reason for Changes:

Product improvement. Dear Customer, we hereby inform you of this change. The new localization tooling is necessary support Worldwide customers. The added tooling does not impact connector performance and will be compliant to existing product specification requirements. IMPORTANT: No fit, form or function change with existing design features. Parts off the new tool are aligned to current production tooling and are interchangeable with the existing design assemblies. Shipments from current and new tooling configurations may be mixed. IMPORTANT: There is no part revision increase for this change at the sales assembly level.

Estimated Dates:

Last Order Date (Obsolete Parts Only):	First Date To Ship (Changed Parts Only):
	31-AUG-2021
Last Ship Date (Obsolete Parts Only):	Last Date for Mixed Shipments: (Changed Parts Only):
	30-NOV-2021
