

Product Change Notification

TE Connectivity

Product Change Notification: P-22-022854

PCN Date: 06-JUN-22

TE would like to inform you of the following change(s) to the listed TE Connectivity Product. In case of any further questions about this change(s), please contact your TE Connectivity Sales Engineer. Affected part, drawing and/or specification numbers are listed on the attached sheet(s).

General Product Description:

1001343 R420 0.62MM*16.5MM A

Description of Changes

Affecting North and South America customers only. Additional raw material source Xingye of China for the blank tab component stamping die. The blanking die used to produce the Tab Component for the Male Terminals in these products will still be produced in TE Greensboro. The subsequent blanking, plating, forming, and any assembly processes are not changing and will remain in their current location. No change to shipping point

Reason for Changes:

Product improvement. Localization of the supply chain for these products.
