Product Discontinuance Notification Details									

**Description of Discontinuance:** 

Texas Instruments Incorporated (TI) is announcing the discontinuance of select RS232 devices in the TSSOP (PW) package. Part Numbers are listed in the Product Affected table below. A last time buy is being offered per the date shown above.

Equivalent recommended replacements are being offered as shown in the Product Affected table. The replacement products are undergoing a change in PCN 20210831001. Changed material may begin shipping after expiration of PCN 20210831001.

NOTE: There are no samples offered for withdrawn/obsolete products. For samples of any of the changed replacement products based on PCN 20210831001, please contact your local sales representative.

## **Reason for Withdrawal/Discontinuance:**

TI will no longer support certain tube packing, temperature range variants, or ESD protection variants for the following products. The recommended replacement products are equivalent devices shipped in reels.
