

Product Termination Notification

Product Group: Vishay Siliconix/Jun 27, 2014/PCN- SIL-0512014 Rev1

End of Life Notification

DESCRIPTION OF CHANGE: The affected part numbers listed in this notification are not our focus products and are being discontinued. As replacements, we are recommending products from our SQ series of automotive qualified Mosfets that are manufactured using our preferred 300M cell automotive qualified process technology at Vishay's wafer Fab located at Fraunhoferstraße 1, 25524 Itzehoe, Germany (Vishay Siliconix Itzehoe GmbH or VSIG). VSIG has been an automotive Fab with ISO14001 and TS16949 certifications for more than 10 years.

The recommended replacement products will have slightly different electrical characteristics but have been identified as a suitable replacements for the existing products.

Production of the affected parts from both Santa Clara Fab and Global Foundries will be terminated per the time schedule in this notification and last time buy orders must be received within the specified timeframe.

CLASSIFICATION OF CHANGE: End of life

REASON FOR CHANGE: Closure of Fab at Santa Clara and Global Foundries

EXPECTED INFLUENCE ON QUALITY/RELIABILTY/PERFORMANCE: Improvement

PRODUCT CATAGORY: Automotive MOSFETs

VISHAY PART NUMBERS AFFECTED: Affected and replacement part numbers are listed on the following

page

VISHAY BRAND(s): Vishay-Siliconix

TIME SCHEDULE: Last time buy orders are required by 01-Oct-2014 for SQM100N04-3M5-GE3. For all other affected parts last time buy orders are required by 31-Dec-2014. Last shipments should be scheduled before 30-June-2015.

QUALIFICATION DATA: Replacement products are manufactured using 300M cell process technology which has been AEC Q101 qualified. Please refer to the subsequent pages to see summary of qualification report for the lead 300M product. Qualification report for individual part type will be provided in PPAP and upon request.

SAMPLE AVAILABILITY: Schedule of availability of qualified samples is listed on the following page. For samples, please email automos.pcn@vishay.com with subject PCN-SIL-0512014 and include date by which samples are needed, required quantity, ship-to address and contact information.

ISSUED BY: Shishir Rai, Product Marketing Manager (E-mail: Shishir.Rai@Vishay.com)
