Data Sheet Change:

Yes No

Attachment:

Yes No

DESCRIPTION AND PURPOSE OF CHANGE:

In order to increase the production capability Würth Elektronik will move the assembly line to a new location. All products with date code 2020-11-02 or later, will be affected by this change. There will be no change in form, fit, function, quality or reliability of the product.

DETAIL OF CHANGE:

Neither electrical nor mechanical properties of the part will be changed.

The assembly lines can be identified by the first three digits of the lot number **XXX** XX XX XXXX XXX

Lot No. of existing assembly lines:	Lot number of additional assembly line:
Lot number starting with 341 Made in Bulgaria Country of Origin: Taiwan	Lot number starting with 220 Made in Germany Country of Origin: Taiwan

RELIABILITY / QUALIFICATION SUMMARY:

The new assembly line uses the same basic assembly technology and is released by the internal requirements of Product Management and Total Quality Management department. Therefore no additional reliability or qualification testing will be performed.
