Subject: Cirtek as Subcontractor for the Testing of Zilog MCU Products

Dear Valued Customer:

We would like to inform you that we have qualified Cirtek Electronics Corp (Philippines) for the testing of Zilog MCU products.

Cirtek is using Zilog's existing test equipment, test programs, and hardware transferred from the closed Unisem plant.

Equipment and test correlation activities are in process and more information will be provided through our Customer Service organization.

Should you have questions regarding this matter or need additional assistance, please contact zservice@zilog.com.

Thank you for your continued interest in Zilog products and services.

Sincerely,

Sonia Daley
