

## CERTIFICATE OF RoHS ENVIRONMENTAL COMPLIANCE

This Certificate of RoHS Environmental Compliance applies to all part numbers within NKK Switches' standard switch and indicator series listed below:

1. NKK Switches certifies that as of **July 2019**, none of the substances regulated by the RoHS Directive 2011/65/EU and (EU) 2015/863 exceed the levels specified in the directive at the homogeneous material level with the below listed exemptions.

| Series | Segregating Attribute            | Exemptions    |
|--------|----------------------------------|---------------|
| A      | Indicators                       | no exemptions |
| A      | Toggles except J2 antistatic Bat | 6(c)          |
| A      | Toggles with J2 Antistatic Bat   | no exemptions |
| A      | Rockers                          | 6(c)          |
| AB     | Rockers                          | no exemptions |
| AS     |                                  | no exemptions |
| B      | Non-illuminated                  | 6(c)          |
| В      | Illuminated                      |               |
| BB     | mummated                         | no exemptions |
| СВ     |                                  | no exemptions |
|        |                                  | no exemptions |
| CB3    | T (10 ) 11/(15 )                 | no exemptions |
| CK     | L (19mm) and M (16mm)<br>type    | 6(c)          |
| CS     |                                  | no exemptions |
| CWSA   |                                  | no exemptions |
| CWSB   |                                  | no exemptions |
| CWT    |                                  | no exemptions |
| D2     |                                  | 6(c)          |
| DB     |                                  | 6(c)          |
| DSA    |                                  | 6(c)          |
| DSB    |                                  | no exemptions |
| EB     |                                  | 6(c)          |
| FB     |                                  | 6(c)          |
| FF01   |                                  | no exemptions |
| FM     |                                  | no exemptions |
| FT     |                                  | no exemptions |
| FP01   |                                  | no exemptions |
| FR01   |                                  | no exemptions |
| FR01A  | Metal Shaft                      | 6(c)          |
| FR02   |                                  | no exemptions |
| FS     |                                  | no exemptions |
| G      | Toggles, Rockers, indicators     | no exemptions |
| GB     |                                  | no exemptions |
| GB2    |                                  | no exemptions |
| GP01   |                                  | no exemptions |
| 0101   |                                  | no exemptions |

|        | 1                       | 1             |
|--------|-------------------------|---------------|
| GW     |                         | no exemptions |
| G3B    |                         | no exemptions |
| G3T    |                         | 6(c)          |
| HB     | Indicators, Pushbuttons | 6(c)          |
| HB2    |                         | no exemptions |
| HP02   |                         | no exemptions |
| HP03   |                         | no exemptions |
| HS     |                         | 6(c)          |
| IS     | Smartswitches           | no exemptions |
| JB     |                         | no exemptions |
| JF     |                         | no exemptions |
| JL     |                         | no exemptions |
| JP     |                         | no exemptions |
| JS     |                         | no exemptions |
| JW     |                         | no exemptions |
| JWS    |                         | no exemptions |
| KB     | Indicators, Pushbuttons | no exemptions |
| KP     | KP01 and KP02           | no exemptions |
| KP04   |                         | no exemptions |
| LB     | Indicators, Pushbuttons | no exemptions |
| LP01   |                         | no exemptions |
| LW     | Except LW3021           | no exemptions |
| LW3021 |                         | 6(c)          |
| M      | Toggles and Rockers,    | 6(c)          |
|        | Circuits: 1, 2, 3, 5, 8 |               |
|        | w/ Silver plating or    |               |
|        | Gold over Silver        |               |
| M      | Toggles and Rockers,    | 6(c)          |
|        | w/ Gold plating         |               |

| S    | S31, S32                 | 6(c) + 8(b) or |
|      |                          | 8(b)-1         |
| S    | S33, S35, S38, S39       | 6(c)           |
| S    | S41, S42                 | 6(c) + 8(b) or |
|      |                          | 8(b)-1         |
| S    | S43, S45 to S49          | 6(c)           |
| S    | S114, S116               | 6(c)           |
| S    | S301 to S309             | 6(c)           |
| S    | S331, S332 type          | 6(c) + 8(b) or |
|      | (except T terminal type) | 8(b)-1         |
| S    | S331T, S332T,            | 6(c)           |
| S    | S333 to S339, all types  | 6(c)           |
| S    | S421, S422, all types    | 6(c) + 8(b) or |
|      |                          | 8(b)-1         |
| S    | S423 to S429, all types  | 6(c)           |
| S    | S732                     | 6(c)           |

| S      | S821 to S833               | 6(c)          |
|--------|----------------------------|---------------|
| SB     |                            | 6(c)          |
| SB4011 |                            | 6(c)          |
| SCB    | Caps & Shroud: 3           | no exemptions |
| SCB    | Caps & Shroud: 4, 5        | 6(c)          |
| SK     | Except disposable boot for | no exemptions |
|        | Process Sealed versions.   |               |
|        | Switch is compliant.       |               |
| SM     |                            | 6(c)          |
| SS     |                            | no exemptions |
| SS3    |                            | no exemptions |
| SW     |                            | 6(c)          |
| TL     |                            | no exemptions |
| TP02   | Touch Panel potion         | no exemptions |
| TP02   | Control board              | 7(a), 7(c)-1  |
| TS     |                            | 6(c)          |
| UB     | Indicators, Pushbuttons    | no exemptions |
| UB2    | Indicators, Pushbuttons    | no exemptions |
| WB     |                            | 6(c)          |
| WT     |                            | 6(c)          |
| WR     |                            | no exemptions |
| YB     | Indicators, Pushbuttons    | 6(c)          |
|        | (only panel seal type)     |               |
| YB     | Indicators, Pushbuttons    | no exemptions |
|        | (without panel seal type)  |               |
| YB2    |                            | 6(c)          |

- The CE marking applies to electrical equipment rather than to components installed into the equipment.
- This Certificate of RoHS Compliance does not apply to custom products.
- 2. The EU-RoHS Directive released a new announcement [(EU) 2019/171, issued February 5, 2019] and the exemption for cadmium and its compounds contained in electrical contacts has been updated. See below rink for the detail.

https://www.nkkswitches.com/pdf/CN0357 New EURoHS Directive.pdf

Below listed products contains cadmium in the electrical contacts specified as exemption 8(b) and will no longer be EU-RoHS compliant after 3/1/2020

| Series | Segregating Attribute   |
|--------|---|
| CWSC   | Except when using the product at 6A/250VAC                                  |
| M      | Toggles and Rockers, Circuits: 4,7,9 w/ Silver plating, or Gold over Silver |
| M2T    | Circuits: 9   |
| MLW    | Circuits: 0, 9  |

Contact to environmental@nkkswitches.com for RoHS 2015/863/EU compliance status of custom products or UL/CSA approved products.

This certification is based on information provided by NKK Switches of America and/or suppliers and is accurate to the best of our knowledge. This certification is valid unless superseded by a revised certification at a later date.
